

Each year a Special Offering is received from churches and individuals in the North Alabama Conference during our annual meeting. This year's offering will support United Methodist Churches in Europe providing care and assistance for Ukrainian Refugees.

Since the 1990s, the North Alabama Conference has reached out in love to our brothers and sisters in Eastern Europe in numerous ways:

- › supported two missionary families—the Fridays and the Clems
- › hosted 250 Children of Chernobyl
- › provided support for seminary students to lead new churches
- › sent numerous mission teams and funding
- › collected coats and supplies
- › sponsored pilgrims on Emmaus Walks
- › established Baltic Chrysalis
- › welcomed delegates to Sumatanga's International Peace Camp
- › helped build Camp Wesley

Now we have another opportunity to help. Millions of Ukrainians have fled their homeland and are in need of care. Each family has unique needs, and United Methodists are responding with limited resources, providing direct relief to refugees whose physical and spiritual needs are great. We can support their ministries and witness in this time of dire emergency.

The Special Offering will be sent through United Methodist Committee on Relief (UMCOR) with 100% going directly for United Methodist refugee support. Churches may send an offering to the Conference earmarked "Love and Support for Ukrainian Refugees," or bring the offering to Annual Conference.

The offering will be collected on Thursday morning, June 23, during the service of Holy Communion.
